All makes and models of scooters are welcome (Go-Ped's excluded), everybody's welcome so please tell a friend.

Come join us for a Sunday afternoon scooter ride through the beautiful back roads and rolling green hills of the Tri-Valley area. We'll travel through Livermore's booming Winery regions, into the Altamont foothills, and through the back roads of Blackhawk, San Ramon, Dublin and Sunol. We'll then scoot off and end our journey in Old Downtown Pleasanton where you can meet your family or friends for pizza at Gay 90's Pizza Parlor and your chance to win some cool things that we'll be giving away. See route map on back for details.

We'll have a support vehicle on call in case of any breakdowns. Small displacement scooters need not worry, there will be no freeways on our route or steep hills to climb. Come early if you want free coffee and doughnuts and a chance to check out all the latest cool Italian scooters that we have on display.
